

You can help make a BIG difference this year!

We have already raised about 30% of the funds needed for the new building that will serve as a Classroom and a Dining Room & Kitchen. But Boneko is trusting God to provide all that is needed to finish, so **Construction has already begun!** Boneko is such a man of great faith he has given the go ahead, so despite the rain, 15 hired builders and labourers are working hard to get it built.

Materials arrive

Children watch the foundation being built

Giving Tuesday (Nov 26) is a day created to counteract the consumerism of Black Friday & Cyber Monday. But you don't have to wait till then...

Working in the rain. All this was built in only 2 days!

You can help us finish in time so the children & mamas have a proper place to celebrate Christmas!
