

July 2024

Dear Family and Friends,

As we reach the end of another academic year, I am filled with gratitude and reflection. This past year has brought significant changes to our school community.

Firstly, we are bidding farewell to three cherished teachers who are retiring or embarking on new adventures. Their dedication and passion for education have left an indelible mark on our school, and we will miss them dearly.

We are also welcoming a new principal, Mrs. Cynthia Layton. She attended LACS as a child and grew up in our community and has a heart for our students.

This fall, I will be focusing on facility maintenance and property management for the school. This change allows me to contribute in a different capacity, ensuring that our school environment remains safe, functional, and welcoming for all. I am looking forward to working closely with Mrs. Layton as we strive to enhance our school community together.

Our family is also thriving. Olivia and Naomi have successfully completed their university year, and Elijah has finished 9th grade. We are grateful for their accomplishments and look forward to seeing what the future holds for them.

We are deeply appreciative of your continued support, both financially and through your prayers. Your generosity makes it possible for us to serve our school and community effectively. As we move into this new season, we ask for your prayers for guidance, strength, and wisdom.

Thank you for standing with us and for being a vital part of our journey.

The Peters Family:  
Doug & Cynthia, Olivia, Naomi, Elijah
