

December 2024

Merry Christmas & Happy New Year!

As we wrap up Thanksgiving, we're reflecting on the blessings of this season. Just last week, we celebrated with our entire staff and students, enjoying a wonderful meal organized by our dedicated parents. Their hard work and love made it a truly memorable event.

Included is our annual photo with the kids—it's amazing to see how they're growing! Olivia is preparing for graduation in June, Naomi is thriving in her second year, and Elijah, now in 10th grade, is excelling in his studies and is so happy to be the tallest of his siblings now!

As we enter the new year, we're reminded of God's faithfulness and the value of the support and prayers of loved ones like you. We ask for your continued prayers for guidance, strength, and wisdom as we navigate the year ahead.

Thank you for standing with us, for your encouragement, and for being a vital part of our journey. Your love and partnership mean so much to us.

May this Christmas season and the coming year bring you joy, peace, and countless blessings.

With love and gratitude,

The Peters Family:

Doug & Cynthia, Olivia, Naomi, Elijah
