≡ RATTLE THE BONES

Newsletter No.34 - October, 2024

Q 4 / 24

*"I have come that they may have life
and have it in abundance."*

John 10:10

IN THIS ISSUE: (1) the Outermost, (2) @MediaLight_Network, (3) a family
Christmas, (4) the *Tipping Point* Campaign

Outreach Recap: Tawi-Tawi, PH November, 2024

Our year ended with what many believe was divine intervention that directed us to the
autonomous region of Muslim Mindanao - one of the *outermost parts of the earth*.

In a last minute change of heart, the intended recipients of YWAM Ships' November medical/dental outreach chose not to accept our offer to help.

With mere hours to develop a Plan B, YWAM field operations, transport and security teams, and medical personnel were forced to come up with a new course of action. In the end, community leaders of Bongao and Simunol Island heard about the offer for aid and eagerly welcomed the teams in to care for villagers of their region.

Simunol Island is home to the oldest mosque in the Philippines and historically known as the birthplace of Islam in the Philippines. It was a life changing time for both the recipients and givers of aid , with many stereotypes and biases shattered.

The whole ordeal really makes us wonder if, in fact, this was the *Master plan* all along.

Aisha's Story (latest RTB post)

"Aisha" was called to work in a remote and potentially dangerous island from a religious standpoint. What she found was a lovely but desperately lonely people eager to hear the stories she had to tell. [runtime 03:30]

Thailand: Media Light Workshop

October, 2024

What began as a speaking gig in Chiang Rai, Thailand morphed into a restorative pit stop and creative retreat for Lib and Craig.

Media Light Network (IG @medialight_network) equips Christian Organizations and independent content creators with the contemporary skills and mindset to reach others with Jesus' message of hope for the nations.

Finding such a Spirit-led, Christ-centred professional community is inspiring and we invite you to pray with us for discerning future opportunities to collaborate with our new friends there.

Family Christmas 2024

December 2024

It was a Christmas first for the Pulsifer Tribe as family members crossed oceans and mountains to gather for the first time in five years. Kids, grandkids, a new son-in-law... what a blessing it was to celebrate the birth of Jesus together. We pray that the joy of the season will continue to resonate for you and us all throughout the New Year.

2024/25 Tipping Point Campaign

RTB is at a tipping point for sharing faith-stories around the world. Recently, a media training company and major broadcaster has offered to help expand coverage and production, but this will take much prayer and some financial support.
