

Greetings Friends!

Spring 2025

After 48 years for David and 35 years for Sherry . . . Caronport SK is no longer our home. In January we had a marvelous 6-day road-trip with wonderful driving conditions the whole way! We moved to Ontario to serve at our WEC mission headquarters! Our deepest thanks to all who "loved on us" . . . to the very end . . . there in Caronport. And thanks to our Heavenly Father in whom "we live **and move** and have our being".

Already we are meeting weekly with over a hundred people (from many local churches) to call on God for our city, Hamilton. Already we are seeing Father sharing His burning love for Jesus with young people here . . . and giving them a desire to go get glory for Jesus from the nations!! And so . . . our simple prayer requests are:

- 1.)** Ask God for a **REVIVAL** that touches parents (& grandparents) with burning love for Jesus . . . love that is greater than the love they feel for their own children.
- 2.)** Ask God for a **REVIVAL** that fills young people (all across Canada!) with — self-sacrificing love for Jesus.
- 3.)** Ask God for a **REVIVAL** that fills preachers and youth pastors nationwide with COURAGE to call on young people to go "*Forsake all!*" and lose (lay down / pour out / sacrifice) their lives **for the**

Gospel's sake!!

Until God grants us this **REVIVAL** we will see very very few missionaries moving to the darkest unsaved churchless places in this world . . . where virtually no one loves Jesus. But . . . thousands of unsuspecting young people will be leaving North America . . . if God grants us – revival.

One more prayer request:

4.) David is lined up to speak at 3 conferences over the next year. Also he and Sherry want to make pastoral visits to young Canadian missionaries serving in unreached countries all across the Middle East. Also that neighborhood of half a million people in Istanbul still has no local church . . . so we need to get back there for more evangelism! Also we are "pouring into" many young people here in Ontario. For all this — we **NEEEEEED HEALTH & ENERGY!!**

Thank you soooo much for every word of prayer. God hears!!

much love, David & Sherry
