WINTER NEWSLETTER

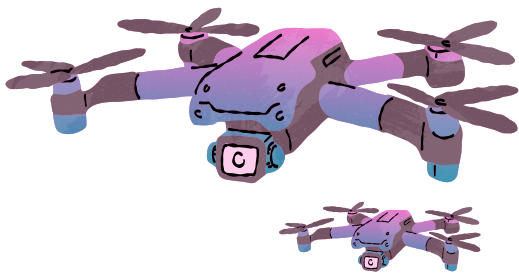

Equipping and Empowering Students to be Christian Leaders in their Communities.

Valentine's Day Grams

The 8th-grade class recently launched a creative fundraising project selling Valentine's Grams to spread love and joy throughout the school. They designed eye-catching posters, put together a menu of sweet items, and organized the entire operation themselves. The students worked together to promote the sales, ensuring everyone knew how they could send a thoughtful message or treat to friends, teachers, and staff on Valentine's Day.

Thanks to their teamwork, determination, and community support, the 8th graders raised a record amount of funds for their graduation celebration.

Not only did they achieve their fundraising goals, but they also gained valuable business experience and showed off their entrepreneurial spirit. It was a fun and successful way for them to celebrate the season of love while making memories for their upcoming graduation!

Drone Club

In our effort to encourage students in STEM, we've started a new Drone Club! This club is not only giving students hands-on experience with technology, but they'll also be competing in an upcoming drone competition very soon. Stay tuned for more updates as they take flight! We can't wait to see what they achieve!

Spelling Bee

We are incredibly proud to highlight two of our talented students who recently represented our school at the regional Spelling Bee competition in Los Angeles. After winning our school's Spelling Bee, they went on to compete against other private schools in the area, showcasing their hard work and dedication. Their impressive achievement is a testament to their focus and commitment. Congratulations to both of you – we're so proud to have you represent our school!

A Weeks Adventure!

100 DAYS
of
SCHOOL
flew by.

This year, we decided to mix things up with our annual Book Fair, shifting it to early February to avoid the end-of-year rush. It landed perfectly on February 6th, right after our 100th Day of School and Global School Play Day. The first week of February was a whirlwind of excitement and energy, leaving us all with full hearts and a sense of accomplishment.

Our students kicked things off by dressing up for the 100th Day of School, and the creativity was off the charts! From clever costumes to inventive ways of counting, it was a true celebration of learning and imagination. But the fun didn't stop there. We spent the week exploring out-of-the-box learning opportunities through play, embracing Global School Play Day, and encouraging students to learn in new and exciting ways.

As if that wasn't enough, we wrapped up the week with a cozy reading experience by warm "campfires," setting the stage for our Book Fair theme: Read S'more Books! We transformed our gym into a camp-like atmosphere, where students could enjoy browsing books, making memories, and diving into new stories.

The combination of laughter, creativity, and the joy of reading made this year's Book Fair a standout event. We're grateful for the support and energy that made this week such a memorable experience for all!

Coming Up: 30 Hour Famine & Sponsor and Supporter Brunch

Our middle schoolers are taking part in the 30-Hour Famine with World Vision to combat world hunger. We kindly ask for your prayer support as they go without food for 30 hours, raising awareness and funds for those in need. Your encouragement means the world!

Get ready for a cultural adventure around the world at this year's **Sponsor and Supporter Brunch** on **April 11 @ 10am!** We're excited to host you and celebrate the vibrant, diverse cultures that make LACS so unique. We would love it if you could join us To **RSVP** please call **323-735-2867**, use our website **mylacs.org** or email **smarroquin@losangeleschristianschool.org**

Stay connected with us and see all the exciting happenings at LACS by following us on social media! Don't miss out on updates, events, and more – follow us today!
